

A scene from the movie Star Trek: The Motion Picture. The setting is a futuristic bar or lounge area on the bridge of the Enterprise. Several crew members are visible, including a man in a white uniform (likely a bartender or waiter) and a woman in a blue uniform. The background features a large, illuminated display or window showing a view of space. The lighting is warm and focused on the bar area.

*The Past, the Present,
and the Future walked
into a bar...*

*...IT WAS
TENSE.*

FUTURE OF PORTS

INSIGHTS

“I know not with what weapons World War III will be fought, but World War IV will be fought with sticks and stones.”

— Albert Einstein

Change is the law of life. And those who look only to the past or present are certain to miss the future

---John F. Kennedy

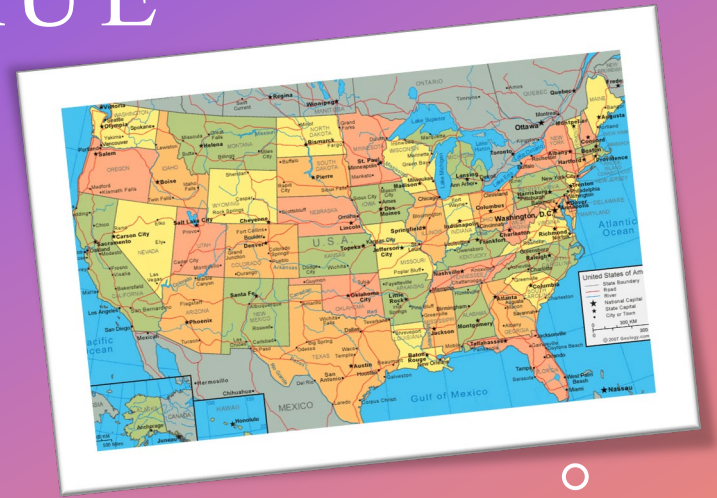

PREDICTIONS THAT CAME TRUE

“Jules Verne predicted the Apollo moon landing.”

1865

+

“The U.S. population will reach 300 million by 1983.”

Ezra Stiles 1783

“One day humans will transplant organs from one body to another.”

Nostradamus 1660

“We would be attacked by killer bees.”

The Simpsons 1993

CRAZY PREDICTIONS ?

“You can check emails with contact lenses...”

+

•

○

“There will be dinosaur zoos with live woolly mammoths.”

“CGI will replace actors entirely”

“Driving yourself will be considered unsafe-robotic cars will take over”
