2025 Legislative Session: Focus on Environment & Energy

**Carly Michiels, WPPA
Cassie Hammond, Port of Benton
Sean Eagan, Port of Tacoma
John Flannagan, Port of Seattle
Others.... in the audience. I see you.**

Legislative update from the WPPA lobby team later this afternoon.
NOW is the time to chat with other government relations folks in
more detail on some **environment and energy** items!

We will go over a handful of topics but please ask questions.

Key Legislative Items:

HB 1937 ISGP compliance

HB 1303 EJ in SEPA

SB 5360 Environmental Crimes

HB 1652 ocean-going vessels /
sulfur fuels

MTCA: will discuss later....

HB 1409 Clean fuel standard

5601 SAF omnibus

Nuclear focused bills

HB 1514 TENs (general session)

QUESTIONS?

- Time spent on unexpected items that came up this session?
 - o HB 1689 CA at berth emissions standards / shore power
- How has information or feedback you provided been valuable for the bill process?

Committee Open Discussion

- Any good news to share?
- Questions for the committee.
- Topics for future consideration.
- **REMINDER: WPPA Environmental Seminar!**
September 25-26th, Alderbrook Lodge in Union, WA
